

5. Per § 1332, jurisdiction exists in this case based upon diversity of citizenship between the parties and the amount in controversy exceeds \$76,000.00, such as relief in law or equity. Per § 1367, jurisdiction exists over all claims. The case concerns debt, property and relief valued in excess of \$76,000.00, including damages and fees recoverable by contract and statute.

6. Under 28 U.S.C. § 1391 and § 124, venue is proper as a substantial part of the events or omissions giving rise to the claims occurred here or Defendants consented to this venue and personal jurisdiction here to which they are subject. The Loan at issue and its governing instruments stipulate they were applied for, considered in, funded from and due to be performed in Georgia. They are governed by Georgia law, applicable to all claims at issue, which may be enforced here or in Georgia, which waive defenses of personal jurisdiction and venue, as Defendants agreed, who subjected themselves to jurisdiction in either forum with their property and assets. Defendants are related to Debtor[s] and Business and bound by the instruments, per their common ownership of Business, of property secured by the Loan or other conduct in which they participated. It was foreseeable that all Defendants would be bound by the instruments, per their terms, whose rights derive from Debtor[s] and Business as detailed below.

7. Personal jurisdiction exists and proper under Tex. Civ. Prac. & Rem. Code § 17.001 *et seq* and the Constitution to all Defendants, their property and assets. They regularly engage in foreseeable, intentional, continuous and systematic contacts here, reside here, conduct business here or perform work here, contract with citizens here or own property here. They have sufficient minimum contacts here, in general and as to this specific case. Exercising jurisdiction over them here does not violate due process or offend traditional notions of fair play and substantial justice. 9. Business and Debtor[s], applied for a commercial loan [Loan] at Plaintiff's Georgia office. They represented in the application process that Debtor[s] could bind the Business, had the ability and intent to comply with the Loan, whose application information was truthful, upon which Plaintiff materially relied, which Defendants assumed adopted and ratified. Debtor[s] and Business did not disclose any financial issues with Business to Plaintiff or the involvement of the Trust with the Business and the Loan.

10. On or about 4/4/19 [Closing], Business, through Debtors, executed and delivered a Note to Plaintiff for a gross loan amount/principal sum of \$436,000.00, Plaintiff's Georgia office, in exchange for its Funds, with a loan guaranty fee, confirming all information in the loan application process which the Defendants assumed, adopted and ratified [Note ¶¶ 1-5].

11. The Note is breached and in default if (i) its amounts are not received when due; (ii) Business breaches its warranties, representations, covenants, terms or conditions (iii) default under any guaranty or instrument, to enhance the Loan's underwriting; a bankruptcy, insolvency

or receivership proceeding is commenced by or as to Business and not dismissed within 30 days

12. The Note is Business's unconditional legal obligation to satisfy the Loan, with all others who become liable for its amounts due, such as the other Defendants, which waived any defenses to it, aside from payment, which states:

Borrower and all others who become liable for the payment of all or any part of the amounts due under this Note [emphasis added] do hereby severally waive: (i) presentment and demand for payment; (ii) notice of dishonor, protest and notice of protest and non-payment and all other notices of any kind, except for notices expressly provided for in this Note; and (iii) any defense of the statute of limitations in any action or proceeding brought for the collection of the amounts due under this Note [Note ¶13].

Borrower is and shall be obligated to pay principal, interest and any other amounts which shall become payable hereunder *absolutely and unconditionally and without any abatement, postponement, diminution or deduction and without any reduction for counterclaim or setoff [emphasis added]* [Note ¶14].

13. The Note is governed by Georgia law and subject to jurisdiction and venue in any forum in any action arising from or relating to it [Note ¶¶ 20, 23, 24] which the Defendants assumed, adopted and ratified.

14. The property and assets of Business, with all others who become liable per the Note, are encumbered as its collateral under a Security Agreement in the Note, which the Defendants assumed, adopted and ratified, which provides:

As security for the due and punctual payment of all amounts due or to become due and the performance of all obligations of Borrower from time to time under this Note and all extensions, renewals and amendments of any of the foregoing Borrower hereby pledges, transfers, assigns, conveys and grants a security interest to a continuing lien upon and security interest in and to all of Borrower's now owned or hereafter acquired, created or arising property including any right, title or interest in or to property of any kind whatsoever, whether real, personal or mixed, and whether tangible or intangible, and in each case regardless of where such Property may be located and whether such Property may be in the possession of Borrower, Lender or a third party and shall include any right, title or interest in or to property of any kind whatsoever, whether real, personal or mixed, and

The collateral includes all accessions, attachments, accessories, parts, supplies and replacements for the collateral, all products, proceeds and collections thereof and all records and data relation thereto [Note ¶ 21].

15. The Note and Security Agreement are enforceable by remedies such as but not limited to repossession, replevin, judicial foreclosure or prejudgment or provisional remedies relating to any collateral, security or property interests of Business and Debtors for debt owed under the Loan [Note ¶ 25] which Defendants assumed, adopted and ratified.

16. On or about the Closing, Debtor[s] executed and delivered Guaranty[s] of the Note and Security Agreement to Plaintiff's Georgia office, again confirming all information in the loan application process which the Defendants assumed, adopted and ratified [Guaranty[s] p. 1].

17. The Guaranty[s] are breached and in default based upon a breach of and default on their terms or any breach of and default on the Note [Guaranty p. 1].

18. The Guaranty[s] are the unconditional legal obligation[s] of Debtor[s] to satisfy the Loan, with all others who become liable for it, with their estates, executors, administrators, heirs, successors and assigns, such as the Trust, which they assumed, adopted and ratified, in which defenses to the Loan are waived aside from payment, which state:

In consideration of the loan made by Lender to Borrower, Guarantor hereby absolutely and unconditionally guarantees both payment of, and collection of, the Guaranteed Debt when due under the terms of the Note. Guarantor will pay the Guaranteed Debt in full, without setoff or counterclaim upon Lender's demand.

[emphasis added] This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Note, or by circumstances relating to the Note that *might otherwise constitute a defense to this Guaranty*. Guarantor acknowledges that there may be more than one Guarantor of the Guaranteed Debt and agrees that, in such circumstances, each Guarantor shall be joint and severally liable for the Guaranteed Debt. [Guaranty ¶ 2].

This Guaranty is a *continuing and irrevocable* guaranty of the Guaranteed Debt and shall remain in full force and effect until the Guaranteed Debt, and any other amounts payable under this Guaranty, are paid in full. This Guaranty shall continue to be effective, or be reinstated, as if such payment had not been made, if at any time any payment of any portion of the Guaranteed Debt is rescinded or must be restored or returned by Lender to Borrower upon the insolvency or bankruptcy of the Borrower or otherwise This Guaranty shall: (i) bind Guarantor and Guarantor's executors, administrators, *successors and assigns*, [emphasis added] provided that Guarantor may not assign rights or obligations under this Guaranty without Lender's prior written consent; and (ii) inure to the benefit of Lender and its successors and assign [Guaranty ¶ 3].

19. The Guaranty[s] are governed by Georgia law and all others who become liable for or are bound by the Loan, who are subject to jurisdiction and venue in any action arising from or relating to the Loan [Guaranty ¶¶ 1] which the Defendants adopted and ratified.

20. The property and assets of Debtor[s] and all others who become liable for or are bound by the Loan are encumbered as collateral for the Loan per the Note, Security Agreement and Guarantees, or as otherwise required, which Defendants assumed, adopted and ratified.

21. Plaintiff may enforce the Loan as to Debtor[s] and all others who become liable for and are bound by the Loan under the Guaranty, such as the Trust, with its same methods and remedies in the Note such as the Security Agreement [Guaranty[s] ¶¶ 13, 19].

22. At the Closing, Debtor[s] executed a Debit Agreement with Business to Plaintiff, authorizing Loan payments from their account into Plaintiff's account, certifying its purpose and their account, which the Defendants ratified and adopted.

23. At the Closing, Debtor[s] and Business received the Loan Funds by wire transfer into their account from Plaintiff's account to which all Defendants ultimately ratified.

24. Business and Defendants assumed and adopted and ratified the Note, Guaranty, Security and Debit Agreements and any Modifications [Instruments], as Plaintiff modified the Instruments on numerous occasions since the Closing. Upon information, Defendants used the Funds for household or business expenses to maintain or purchase property subject to the Loan, for which they are liable. At the Closing, they omitted to mention the involvement of the Trust with the Business or their property and assets as detailed below. On 4/5/20, Defendants received a PPP Loan for \$264,500.00, paid or forgiven, who on 1/21 received another PPP Loan for \$264,530.00. They also omitted to mention the purchase of real property for the Business in Texas as detailed below. They incurred numerous unauthorized debts for the Business after the Loan, such as a 8/17/19 Loan with Isuzu Finance, a 9/24/20 Loan with Crest Mark Bank and a 12/3/20 Loan with Wells Fargo, They wrongfully disposed or impaired the property and assets of Business to interfere with, impair, hinder, delay and prevent enforcement of the Loan as to its property and assets, to benefit themselves and defraud Plaintiff after the Closing, in which the Defendants participated.

25. The Instruments secure and encumber the property and assets of Defendants, such as but not limited to the below ones, which Defendants use to operate their enterprise:

(a) Atacosa Parcel No. 21871, 1375 Jr. Blvd, Pleasanton TX 78064, purchased by Business on 5/20/20 and since owned by the Business, valued in excess of \$400,000.00.

(b) Atacosa Parcel No. 30058, 1512 Sandra Circle, Pleasanton TX 78064, owned by Don Page or in which he has a marital or other interest, as well as Lafayette Parcel No. 6055978, 406 Cheyenne Circle, Scott LA, 70503, both valued in excess of \$76,000.00.

(f) Lafayette Parcel No: 6055973 130 Salisman Street, Lafayette LA 70506 owned
by Don Page through the Trust.

(g) Lafayette Parcel No: 6055975 126 Salisman Street, Lafayette LA 70506, owned
by Marie Page.

(h) Lafayette Parcel No: 6055984 601 Paris Street Lafayette LA 70506-6081 owned
by Marie Page through the Trust.

(i) Lafayette Parcel No: 6055985, 101 Gallier Street, Lafayette LA 70506 owned by
Marie Page through the Trust.

(j) Lafayette Parcel No: 6055987 106 Gallier Street, Lafayette LA 70506 owned by
Marie Page through the Trust.

(k) The interests of Defendants in the Trust and other business, of which they are
agents, owners, members and officers, which they owned at any time, which include the above.

(l) Any property and assets encumbered by other debts of Defendants, satisfied by
the Loan, into which Plaintiff is subrogated, such as a Prior Loan that Defendants obtained from
Plaintiff, with the same terms and conditions, namely Loan No. 106791, which satisfied an On
Deck Loan for \$10,677.00, refinanced into the current Loan No. 124857 [Prior Loans].

(m) The Trust “became liable” for the Loan, as a “successor and assign” of the other
Defendants and is otherwise subject to the Instruments, which share the same management,
business and operations as Business, assets and property of which sold or disposed of to satisfy

their debts or sold in a fraudulent attempt to avoid satisfying the Loan.

(n) The Trust is closely related to the Business and Debtor[s] and it was foreseeable it would be bound by the Loan, whose rights are derivative of Business and Debtor[s], whose conduct requires this result.

(o) These and other properties and assets of the Defendants are not subject to a homestead or other protection or exemption, waived by the Instruments or by their misconduct, which were purchased, improved or maintained with the Funds, or are otherwise invalid.

(p) The properties and assets of Defendants are subject to any UCC-1 or other notice as to the Loan and Instruments by Plaintiff and are subject to jurisdiction here.

26. The Instruments, when read together, are the commercial Loan, that “absolutely and unconditionally” promises its “payment and collection” [Note ¶¶ 2, 14, Guaranty[s] ¶¶ 1-3]. Defendants are “liable for its amounts due” including the Trust as a “successor and assign” of Debtor[s] and Business [Note ¶ 13, Guaranty[s] ¶¶ 3]. It bars their claims, offsets and defenses except payment [Note ¶¶ 13-14, Guaranty[s] ¶¶ 2]. It provides for payment of interest, costs, other charges and attorney’s fees [Note ¶¶ 2, 5, 8, 9, 10, Guaranty[s] ¶¶ 1, 7]. It is enforceable by remedies that Plaintiff may simultaneously pursue, including on the debt and Security Agreement [Note ¶¶ 21, 25, Guaranty[s] ¶¶ 13, 19]. It was ratified by the Defendants who accepted and retained the Funds, subject to its terms.

27. Defendants breached and defaulted upon the Instruments, such as but not limited to misrepresentations when obtaining the Loan, defaulting just after the Closing, failing to disclose their debts or those of Business, failing to make payments, obtaining unapproved loans, dissipating, disposing of and benefitting from property and assets secured by the Loan such as those of Business and Debtor[s]. They did so to impair, hinder, delay and prevent enforcement of

the Loan, to defraud Plaintiff after the Closing, which they did not cure even after demand by Plaintiff. These matters require equitable relief, for which there is no adequate legal remedy given this conduct for which Defendants are liable. Business was undercapitalized of which Defendants are alter-egos or constitute a partnership or enterprise.

28. Plaintiff owns and holds the defaulted Instruments, which has standing to enforce them prior to commencing suit, whose principal balance and value exceeds \$76,000.00, with attorney's fees, pre-judgment interest and other charges as provided by law and their terms [Note ¶¶ 2, 5, 7, 8, 9, 10, 12, Guaranty ¶¶ 1, 7].

29. Plaintiff reasonably relied upon the representations of Defendants through Debtor and Business and paid the Funds to them, which closed the Loan with them as a result.

30. The Defendants accepted the Funds, who are fraudulently, wrongfully or unjustly enriched with them at Plaintiff's expense, by retaining them, their property and assets.

31. Defendants are indebted to Plaintiff for the Funds, of which their property and assets are secured as collateral per the Instruments.

32. All interests in the property and assets of Defendants are subject to, subordinate and inferior to Plaintiff's interest, of which they had notice or knowledge, who will not be prejudiced or subjected to injustice by the relief sought.

33. All conditions precedent to suit to occurred, were fulfilled, or waived, or their occurrence or fulfillment were unnecessary or futile.

40. The Instruments are enforceable as to the property and assets of Defendants as a secured debt, for which there is no adequate legal remedy, requiring equitable relief, which will not prejudice anyone, reflecting the obligations of the Defendants under the Loan.

41. Per 28 U.S.C. §§ 2201, 2001 and applicable law, Plaintiff requests that the Court declare and establish Defendants are liable for the Instruments, which are a secured interest in their property and assets, enforceable as an equitable lien or mortgage, constructive trust or like remedy, and Plaintiff is subrogated into the Prior Loans, judicially foreclosing its secured lien interest in all property, and assets of Defendants, their fixtures, appurtenances, rents, contents and insurance for all sums due under the Loan, in which all other claims and interests are inferior, subordinate, barred, foreclosed, quieted to all right, title, interest and equity of
